RE: Notification of change in ownership
Clean Harbors Los Angeles, LLC
Los Angeles, CA Facility ("Facility")
U.S. EPA ID# CAD 050806850

Dear Mr. Scott,

I am writing on behalf of Clean Harbors Los Angeles, LLC ("CHLA") in response to your letter dated May 11, 2017. As previously stated by Mr. William Connors in a correspondence dated March 3, 2017 and April 13, 2017, Clean Harbors is proceeding with an internal reorganization to consolidate ownership of PCB processing facilities under the ownership of a new entity. As a part of this reorganization, the shares of CHLA will be transferred from their prior owner, Clean Harbors, Inc., to a newly formed entity, Transformer Services Holdco, LLC. The ownership and operation of the Facility, however, has not changed and remains with CHLA.

Clean Harbors appreciates your response to its letter, but wishes to clarify that the ownership change described in our previous correspondence applied only to the shares of CHLA, which will simply be transferred from one parent company to a different parent company. As stated above, CHLA remains both the owner and the operator of the Facility.

We regret any confusion that may have arisen from our request. Please feel free to contact me at (781) 792-5172 with any questions or concerns.

Sincerely,

A handwritten signature in black ink, appearing to read "Timmery Fitzpatrick".
